**Madison County – Lane Closures on IL 140 at the Entrance and Exit Ramps to I-55 North Bound**

The Illinois Department of Transportation today announced there will be various daytime lane closures on IL 140 at the Entrance and Exit Ramps of I-55 northbound. The IL 140 eastbound left turn lane to I-55 northbound entrance ramp and driving and passing lanes of IL 140 westbound at the I-55 northbound entrance ramp will be closed at various times beginning at 7 a.m. Thursday, October 16, 2014, through 5 p.m. Tuesday, October 21, 2014, weather permitting. All lanes will reopen at 5 p.m. daily.

The closure is needed to allow maintenance crews to perform roadway patching in advance of the winter season. The Department's District 8 Maintenance Crews are performing the needed roadway repairs.

Traffic control devices including changeable message signs will be utilized during the closure to assist motorists making their way through the work zone. The Department asks that travelers be patient and use extra caution near and throughout the work area.
